TERMS & CONDITIONS OF SALE

Effective January 1, 2024

SALES POLICY: Possession of this catalog does not constitute an offer to sell. *Our prices are subject to change without notice. All orders will be shipped and invoiced at the prevailing price at the time of shipment. *We reserve the right to adjust orders to standard package unless otherwise stated on the purchase order. We have no minimum order.

BILLING TERMS: 2% 10th & 25th, net 30 Days. Invoices dated 1st-15th are due on the 25th of the same month for discounts to apply, invoices dated 16th - last day of the month are due the 10th of the following month for discount. Otherwise, all invoices are due net 30 days from invoice date. Unearned cash discounts will be left open as unpaid balance to the account. Any amount past due is subject to a finance charge on the total past due balance in accordance with the Truth-In-Lending Act.

DIRECT SHIPMENT: We will ship direct to any destination specified in accordance with CMC sales policy and freight terms.

FREIGHT ALLOWANCE: Full freight allowed and prepaid on orders totalling \$1000.⁰⁰ net value or more at one time to one destination. No freight allowed on orders less than 1000.⁰⁰ net value under any circumstances. We reserve the right to route shipment via most economical transportation. If special routing is requested, which results in a higher rate, the additional amount will be charged to the customer. Parcel Post and UPS charges will be prepaid and charged back on the invoice. A \$10.⁰⁰ service charge will be added to the invoice on all requests for bus shipment. All claims for shortage and damages should be made to the appropriate freight company. Claims for shortages from CMC must be reported within seven (7) Days from receipt of merchandise.

TAXES OR DUTIES: Wholesale customers assume full liability for any taxes or any other charges assessed or imposed by an authorized government agency. All wholesale customers are required to furnish CMC with a tax exemption certificate, otherwise applicable State sales taxes will be charged.

RETURNED GOODS: CMC will not accept returned merchandise from customers without prior written approval from CMC Office Headquarters. All returns must be prepaid. All returns made for reasons other than defective merchandise are subject to 15% restocking charge. CMC will not accept return of discounted merchandise.

GUARANTEE: The CMC guarantee shall be limited to replacement or credit, not to exceed the original purchase price, and shall not include any installation or labor charges of any kind. All CMC merchandise is guaranteed against defects in workmanship or material for a period of one (1) year from the date of purchase. CMC retains the right to determine if merchandise is defective, and its judgement shall be final in such matters.

SPECIAL QUOTATIONS: We shall submit special quotations upon request.

PLEASE NOTE: The names of manufacturers mentioned in this catalog indicates brands our products will fit. It is not intended to cause the customer to assume that the replacement part is manufactured by the same company whose parts it may replace, unless the part is specifically labeled as a "Genuine OEM Part." The original equipment manufacturer has no responsibility for the quality or suitability of Component Manufacturing Corporation repair parts. Pictures in this catalog are intended as a guide only, and unless specified, do not represent any particular brand.

SI GREEN

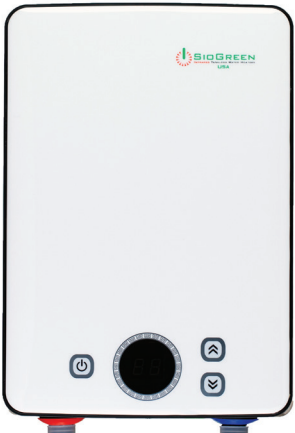

INFRARED TANKLESS WATER HEATERS

THE FIRST MAJOR BREAKTHROUGH IN WATER HEATER TECHNOLOGY IN 100 YEARS!

SioGreen has developed the world's first and only patented electric tankless water heater to use Quartz Infrared technology to heat water on demand. These units will Save time...Save space...Save money...and best of all they are MAINTENANCE FREE!

This new innovation in heating water is truly a game changer and will revolutionize the way homeowners and business owners heat their water in the future and help support the Green Building effort.

TEST PRODUCTS INTERNATIONAL INC.

Industry-Leading Handheld Test & Measurement Equipment

FLUE GAS ANALYZER

- Operates remotely via Bluetooth with the TPI app
- App stores and emails on-site reports
- No need for long probe hoses
- Built-in hanging hook and powerful back magnets
- Durable, rugged and sealed housing
- Measures CO and temperature differential
- Calculate CO₂, CO air, excess air, combustion efficiency
- Ranges: Oxygen and Carbon Monoxide
- Temperature: -50°C to 1000°C

PART #	STN. CTN.	LIST PRICE
DC710C1	1 UNIT	\$770.00

COMPLETE TANKLESS WATER HEATER TEST KIT

- KIT INCLUDES THE FOLLOWING:
 - Dual Input Digital Manometer
 - Automatic Digital Multimeter
 - All hoses, tubing, T-fittings, and needle probes
 - Boiler connector
 - Carrying case with shoulder strap
- Three (3) year limited warranty

PART #	STN. CTN.	LIST PRICE
8500	1 KIT	\$500.00

COMPLETE TANKLESS WATER HEATER TEST KIT

- KIT INCLUDES THE FOLLOWING:
 - Dual Input Digital Manometer
 - Digital Clamp Multimeter
 - All hoses, tubing, T-fittings, and needle probes
 - Boiler connector
 - Carrying case with shoulder strap
- Three (3) year limited warranty

PART #	STN. CTN.	LIST PRICE
8600	1 KIT	\$500.00

AUTOMATIC DIGITAL MULTIMETER

- EZ to use one button operation
- Automatically measures DC, AC volts and Ohms
- 4,000 count display, 0 - 600 Volts, AC and DC
- Includes test lead set, batteries and rubber boot
- 1.5 volt battery included, features auto-power off
- Three (3) year limited warranty

PART #	STN. CTN.	LIST PRICE
8100	1 UNIT	\$90.00

DUAL-INPUT DIGITAL MANOMETER

- Dual input with +/-120" H.O range
- 5-digit display with back light
- Measures mbar, kPa, PSI, mmHg, inHg and more
- Includes 30" silicone tube and more
- Stabilizing display when measuring pressure
- 9V alkaline battery, features auto-power off

PART #	STN. CTN.	LIST PRICE
8620	1 UNIT	\$370.00

SINGLE-INPUT DIGITAL MANOMETER

- With +/-60" H₂O range
- 4-digit display with back light
- Measures H₂O, mbar, KPa, PSI and mmH₂O
- Includes silicone tubing
- Built-in hanging hook and powerful back magnets
- 9V alkaline battery, features auto-power off

PART #	STN. CTN.	LIST PRICE
8608	1 UNIT	\$210.00

Scan the QR Code to download the free TPI App!

DIGITAL CLAMP-ON MULTIMETER

- Hand-held auto-ranging Digital Clamp Multimeter
- Slim jaw and body design perfect for small spaces
- 4,000 Count Display
- AC/DC volts up to 600V, AC Amps up to 400A
- Battery features auto-power off
- Diode, resistance and audible continuity ranges
- CAT III 600V rated; cULus 61010
- Test start and run capacitors
- Measure heat anticipator current
- Determine thermocouple voltage
- Test line and control voltages
- Measure heating element resistance
- Measure and adjust variable frequency drives
- Auto/manual ranging, data hold
- DC Voltage maximum: 600V · Resolution: 0.1 mV
- AC Voltage maximum: 600V · Resolution: 0.1 mV
- Three (3) year limited warranty
- Lifetime service
- SCREEN DISPLAYS:
 - Large easy-to-read numerals
 - Capacitance up to 4,000 Micro-farads
 - Accurate frequency
 - Data hold option
 - And MORE!
- KIT INCLUDES:
 - Digital Clamp Meter
 - Test lead set
 - Soft carrying case
 - Instruction manual

PART #	STN. CTN.	LIST PRICE
8265	1 UNIT	\$160.00

COMBUSTIBLE GAS LEAK DETECTOR

- Detect combustible gas including propane, butane
- Methane leak sensitivity: 30 PPM
- 16" goose neck with visual, audible leak indication
- One-hand operation
- Adjustable tic rate via side thumb wheel
- C cell alkaline battery lasts approx. 20 hours
- Soft carrying case

PART #	STN. CTN.	LIST PRICE
8719	1 UNIT	\$215.90

COMBUSTIBLE GAS LEAK DETECTOR

- Detect combustible gas including diesel, kerosene
- Methane leak sensitivity: 40 PPM
- 7.5" neck with visual, audible leak indication
- One-hand operation
- Tic rate can be nullified to pinpoint leaks
- Trace natural gas lines and fittings
- Test propane tanks and heaters
- Check confined spaces for build-up

PART #	STN. CTN.	LIST PRICE
8725L	1 UNIT	\$137.36

COMBINATION CARBON MONOXIDE AND COMBUSTIBLE GAS LEAK DETECTOR

- Detect combustible gas and carbon monoxide
- Measure CO from 0-2000 PPM
- 16" goose neck with visual, audible leak indication
- One-hand operation
- Adjustable tic rate
- Detects Methane as low as 30 PPM
- Soft carrying case

PART #	STN. CTN.	LIST PRICE
8775	1 UNIT	\$620.00

NON-CONTACT VOLTAGE STICK

	<ul style="list-style-type: none"> • Non-contact detection of 50 – 1,000 VAC • Visual and audible alerts prevent electrical shocks • Troubleshoot electrical circuits • No switch required- Always ready-to-use 		
	PART #	STN. CTN.	LIST PRICE
	850	1 UNIT	\$49.74

POCKET DIGITAL THERMOMETER

	<ul style="list-style-type: none"> • Temperature Range of -58°F – 300°F • Tapered stem (3.1 mm) fits a Pete's Plug • Magnetic clip perfect for air duct use • Waterproof, rugged design can withstand 10 ft. drop • Takes LR44 battery, features auto-power off 		
	PART #	STN. CTN.	LIST PRICE
	8315	1 UNIT	\$33.00

COMBINATION INFRARED DIGITAL THERMOMETER

	<ul style="list-style-type: none"> • Infrared for non-contact measurements • K-type thermocouples for contact measurements • 9:1 Distance to spot ratio • 0.1 Degree resolution, 0.95 Emissivity • For hard-to-reach or moving targets • Laser sighting, back lit display 		
	PART #	STN. CTN.	LIST PRICE
	8381A	1 UNIT	\$155.84

K-TYPE THERMOCOUPLE PIPE CLAMP

	<ul style="list-style-type: none"> • Clamp probe for pipe temperatures • To be used with 8381A Digital K-type Thermometer • Range: -50°C – 250°C • Max jaw opening: 1.2", Nominal jaw opening: 0.75" • Lead length: 39.4" (1 m) • K-type thermo couple plug 		
	PART #	STN. CTN.	LIST PRICE
	8CK21M	1 UNIT	\$62.28

6" SILICONE TUBING

- Very flexible
- Will not stiffen in cold temperatures
- Used for pressure measuring
- For Combustion Analyzers and Digital Manometers

PART #	STN. CTN.	LIST PRICE
8774	1 UNIT	\$16.22

BOILER ADAPTER TUBE CONNECTOR

- 2" Clear tubing with barbed adapter
- 1/4" Inner diameter , 3/8" outer diameter
- To connect to gas valve on tankless or boiler

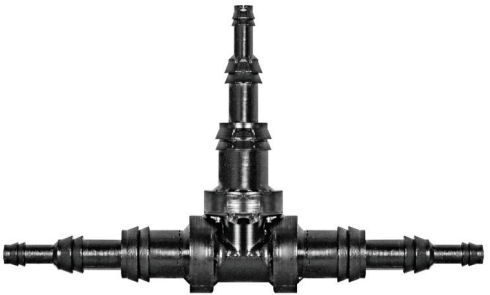

PART #	STN. CTN.	LIST PRICE
8820	1 UNIT	\$4.52

UNIVERSAL T-FITTING

- Taper measures 1/4" (6.35 mm)
- High-impact, durable material barbed T-fitting
- Use with TPI 610, 615, 620 and 625 Manometers
- For use with pressure measurements

PART #	STN. CTN.	LIST PRICE
8605	12 UNITS/BOX	\$5.00

SOFT CARRY CASE

- Safely carry TPI 600 series devices
- Includes shoulder carry strap, carry handle
- Velcro compartment dividers
- Dimensions: 11.5" W x 8.5" D x 2.5" H

PART #	STN. CTN.	LIST PRICE
8908	1 UNIT	\$36.00

APPROVALS AND LISTINGS

Approved to FM 1680 Class I,
15 PSI

Listed by
IAPMO - #2189

SBCCI Evaluation Report
#9488 for Code
Compliance

Refer to ICC
Evaluation Report
ICC-ES 94-20

Conforms to:
ASTM A-666
ASTM C-564

Plus...many other
local and state codes

Clamp-All® HI-TORQ 80 and HI-TORQ 125 Couplings are designed and suitable for use with hub-less Cast Iron Pipe and fittings conforming to ASTM A-888 for all storm and sanitary DWV piping systems above and below grade. Clamp-All® Couplings are suitable for joining Cast Iron to Plastic, Steel or Copper Pipe in all storm & sanitary drains, waste, and vent piping applications. All couplings, in conjunction with Snap-All® Bushings, are suitable for joining different diameters and materials in all DWV piping applications.

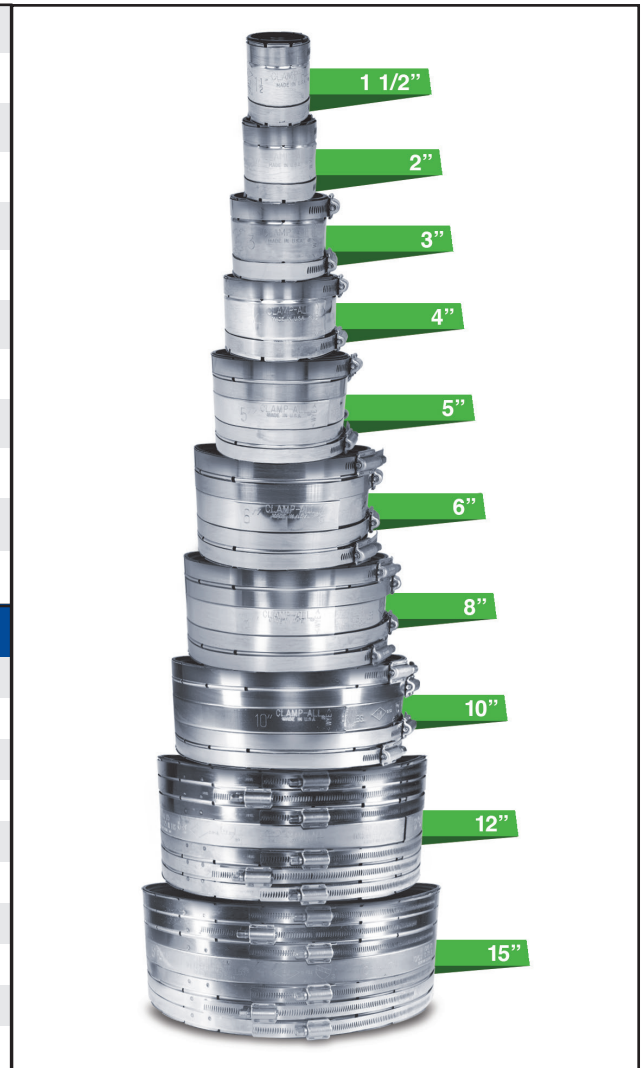

HI-TORQ 80 PSI

	· ASTM A-666 and ASTM C-564		
	· Approved to FM 1680 Class I, 15 PSI		
	· 28-Gauge Type 304 Chromium Nickel SS Shield (.016)		
	· One-piece molded neoprene gasket		
	· High corrosion resistance		
	· Pipe Diameter Range 1½" – 10"		
	· Best hydrostatic seal in the industry		
	· Strongest coupling in the industry		
	· High tolerance for pipe-to-fitting diameter		
	· Gasket is a sure-fit every time		
· Prevents failure due to shear, deflection or vibration			
PART #	SIZE	STN. CTN.	LIST PRICE

INDUSTRIAL GRADE | SAFE IN ALL SYSTEMS | EASY TO USE & IT WORKS!

Patented technology provides biological stimulation at the cellular level to digest grease, oil, paper, salts, organic matter and even petroleum products. HotRod products reduce potential contamination within the system by reducing solids, sludge and septic odors, improves percolation in the leach field, and lowers potential groundwater contamination.

HOTROD RV HOLDING TANK TREATMENT

- Reduces or eliminates tank odors
- Maintains working sensor probes
- Contains no formaldehyde or bronopol
- Reduces solids and sludge

PART #	STD. CTN.	LIST PRICE
